NOAA CALENDAR OF EVENTS

* - New event since the last calendar issue in March.

2000

6/1-10/31 2000

EXPO 2000-The Millenium Worlds Fair

Hanover, Germany

The Thematic Area includes 11 sub-themes: among which include; the Environment; Landscape and Climate; and the 21st Century. These sub-themes follow the U.N. environmental policy action program Agenda 21 which was endorsed by 179 countries at the 1992 Earth Summit Conference in Brazil. The growth of the global economy must ensure that it does not surpass the earth=s ecological limits. The participating countries will integrate their exhibits with one or more of the thematic sub-themes.
